Tour Location: Cody Vance 1606 W. Woodlawn, San Antonio, TX 78201

Artist Statement: I have used oil, acrylic, pencil, pen, clay, leather and stone. My creative process is submersion and experimentation. Whatever I spend my time with is where I draw inspiration. I look (stare) at everything, from people in the airport to sculptures on buildings. I have not committed myself to one single medium. I do not see myself saying no to new ones, either.
