**Artist Statement:** I have been a painter for well over 50 years, working in oils, watercolor, silks, linens, and ceramics. Besides working out of my house, I have 2 studios at the Blue Star Complex, one for 34 years. I'm included in the Latino archives of the Smithsonian in Washington DC and part of the Cooper Hewitt Design Museum in New York City. Exhibiting throughout the Southwest US, my last exhibit was a 6 month exhibit at Overland Architectural Firm in SA. My work is in the collection of Sandra Cisneros, Charles Field, SA Texas A&M, and Caroline Kennedy.
