***Vuelo de Mariposas Spring Market* will be open in conjunction with the 16th Annual On/Off Fredericksburg Road Studio Tour on Saturday and Sunday, March 23 and 24, 2024 from 12-5 pm.**

In addition to the 16th annual **Mujeres de Aztlan** exhibition: ***Persistent and Resilient***, Centro Cultural Aztlan will present our annual *Vuelo de Mariposas Spring Market* an indoor/outdoor artisan market of fine-crafts, paintings and wearable art by some of San Antonio's most noted artists.

The *Vuelo de Mariposas Spring Market* gives our local artists an affordable venue in which to sell their works of art and provides visitors the opportunity to meet and greet the artists and artisans. Presenting their "spring line", artists and artisans are sure to bring the newest trends and colors of the season.

Visitors can stroll through the Deco Building's breezeway and Centro Cultural Aztlan Galeria Expresion and view our current exhibit **16th annual Mujeres de Aztlan exhibition: *Persistent and Resilient***. This year's exhibition focuses on the resilience and persistence of women. These qualities, which seem to be innate to women, are used by women across the globe to address and change the range of gender specific obstacles we face. Resilience makes us stronger as life changes. We develop discernment through experience, mistakes, and hard knocks. We become fearless and adapt to continual change. Women have the persistence to make societal changes such as gaining the right to vote, gaining recognition of female artists, and equal pay for some female athletes. Artists are encouraged to express their unique perspective on these qualities of women. ***The Lead Artist for this exhibition is Kathleen Baker Pittman.***

Participating Artists include: Lead Artist: Kathleen Baker Pittman.
