**Artist Statement:** Kara Ritthaler is an artist currently living and working in San Antonio, Texas. Kara studied art and theater at the University of the Incarnate Word in San Antonio. She continued her art education at Texas State University where she graduated with a Bachelor of Fine Arts. In addition to her work with acrylic painting, she contributes ofrendas (altars) for Day of the Dead. Her work was featured in the San Antonio Express News and SA Current. Currently, she is working on a series of paintings: Women As Metamorphosis. The paintings imagine how society imagines and tells stories of women. The paintings realize these mythical women as fantastical creatures such as angels or mermaids and depict their bodies moving in space time."
