**Artist Statement:** “ Lucy Springs, ceramicist since 2003, pursuing different approaches to working with clay. I prefer to throw on a wheel, but also build totems and multimedia projects. I pursued the arts as a form of therapy to find peace, calm and expand my creativity after I retired. As a result I also do repujado (Metal embossing), creative beading and create greeting cards. My mantra is that art is life and there is life In art!

Varied clay pieces produced in 2023.
