Artist Statement: My art as ""Texas.mess"" is an exploration of the beauty and heartbreak of feelings, love, and existence. Through depictions of darkness and light in my work I look into the realm of the shocking, the mundane, and unusual mix of the emotions I feel in all aspects of love and pain. I hope my paintings serve as a way for people to connect with the unexpected elements of my work that often go unnoticed. I am hopeful they will show the breadth of my feelings. Shamus"
