Tour Location: Tortuga Studio 620 West Norwood Ct, San Antonio, TX 78212

Artist Statement: Yolanda is a multifaceted artist who paints in oil, watercolor, acrylics, and more recently, encaustic art. She specializes in portraits, and her work is mostly representational with a few abstracts now and then.

She also designs beaded jewelry using semi-precious stones, crystals, and pearls enhanced by silver or gold accents. Many pieces are unique and one of a kind.

 <p>The artwork 'Blue' is an encaustic piece featuring a central portrait of Frida Kahlo. She is depicted with her characteristic thick eyebrows and a red floral crown. To her right, a vibrant butterfly with green, blue, and pink wings is shown. Handwritten text in blue ink is integrated into the composition, including the phrase 'She walks in beauty like the night' and a longer passage: 'Of cloudless, elms, and stormy skies, and all that's best of dark and bright meet in her aspect and her eye'. The background is a rich, textured blue.</p>	 <p>The artwork 'Flight' is an acrylic painting on canvas. It depicts a purple bird in flight, with its wings spread wide. The bird is set against a background of bright yellow and orange rays emanating from behind it, creating a sense of movement and light. The overall composition is dynamic and vibrant.</p>	 <p>The artwork 'My Tribe' is an encaustic piece on canvas. It is a complex collage featuring a variety of elements: a fox's face, a person's face, musical notes, and abstract patterns. The colors are vibrant and layered, creating a rich, textured surface. The composition is dense and visually engaging.</p>
